SUMMARY OF INFORMATION

Session is best described by the sketches:

p.3: flat area: part is black, hard "like" pavement, part is thick, green grass, part is white, gritty rocky area.

p.4: UI structure/object is curved and raised

p.5: another U/I structure/object: one can see through the gap.

p.6: top is white, hard and rough. Bottom is darker and horizontally patterned.

p.7: narrow vertical man-made seems to support something

p.8: see sketch

p.9: see sketch

Overall, I had a strong impression of being outside yet protected. The land is flat. Nearby is a long, narrow, dense line of trees/shrubs/vegetation. Impression of a road and parking lot with gravel extension. Impression of 1-2 structures by themselves others are a bit of a distance away separated by road or demarkation.

LOCATION is shown on map. Search was done at end of session.
